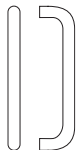
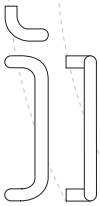
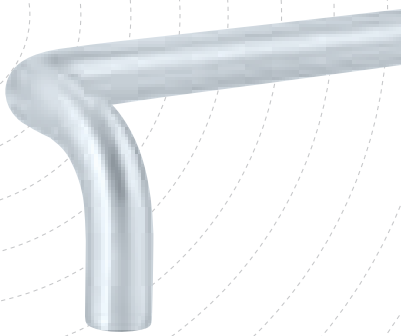
These one inch diameter push and pulls are the industry standard for contemporary design. Rockwood sets the benchmark for quality and value in this product category. Our offset pulls come with a 2½" clearance for enhanced ADA compliance. Use two or three push bars on a door as an attractive design element and increased usability for people of all heights.

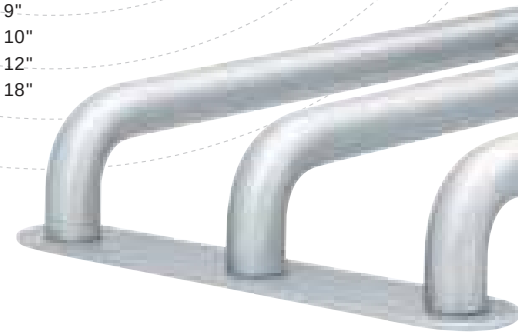
# Standards

## *1" diameter pulls*









### Straight Pulls

| Pull No. | CTC |
|---|---|
| 110 | 8" |
